WHO WE ARE

Temad Co. is one of Iran's leading pharmaceutical manufacturers, specializing in the production of active pharmaceutical ingredients, finished dosage forms, and pellets. The company combines scientific expertise, advanced manufacturing capabilities, and quality-focused processes to deliver reliable pharmaceutical products for domestic and international markets. With an export network covering more than 56 countries across five continents, Temad has established a strong global presence in major pharmaceutical markets across Asia, Europe, Africa, and the Americas. Its broad product portfolio, including over 68 APIs, more than 20 finished dosage forms, and over 8 pellet-based products, reflects the company's commitment to quality, innovation, and sustainable growth in the pharmaceutical industry. By focusing on scientific development, regulatory compliance, and international collaboration, Temad continues to support global healthcare supply chains with dependable pharmaceutical solutions.
